### Tools Required:

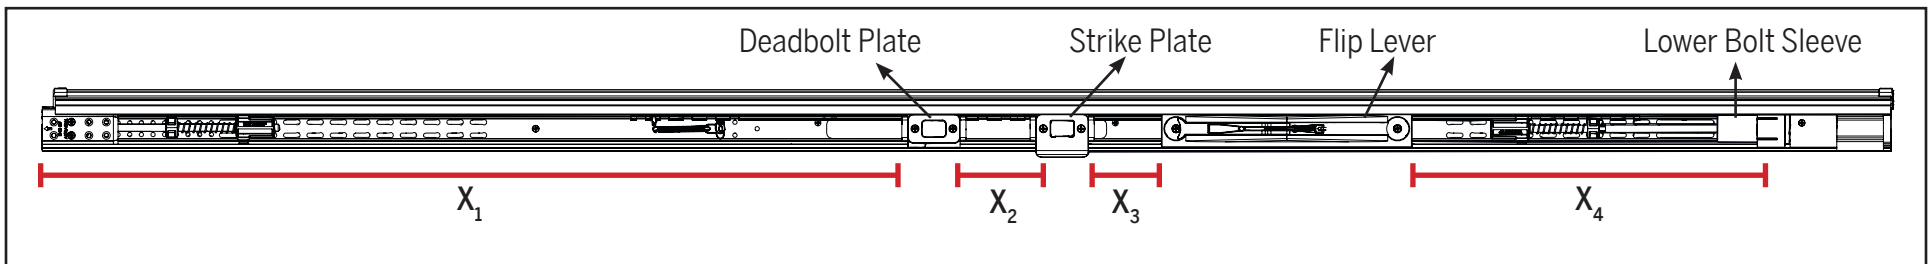

- Cutting Tool
- Tape Measure
- Pencil/Marker

Trim Strip with Sealing Fin is compatible with Ultimate Flip Lever™, Ultimate Multi-Point and Ultimate Trilennium® Astragals.

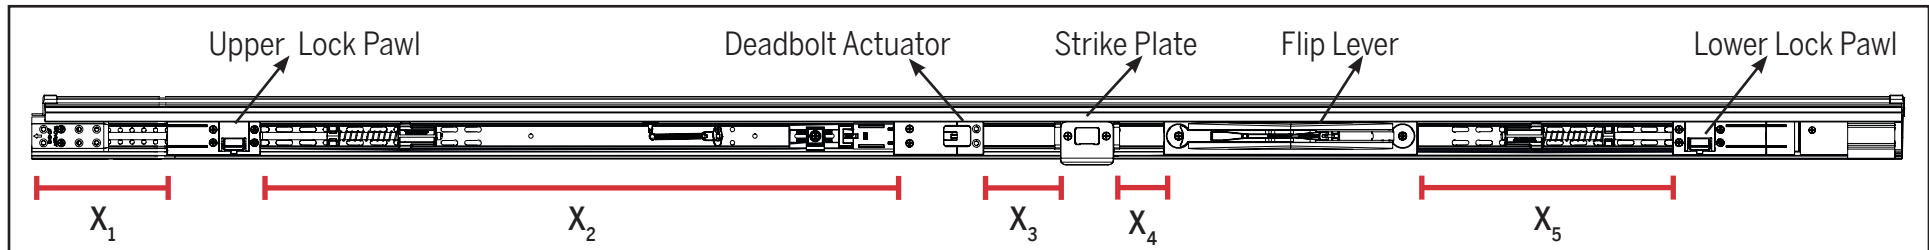

### Before you begin:

- Remove the old or damaged trim strip to be replaced.
- Ensure the strike and deadbolt plates are installed in the correct locations.

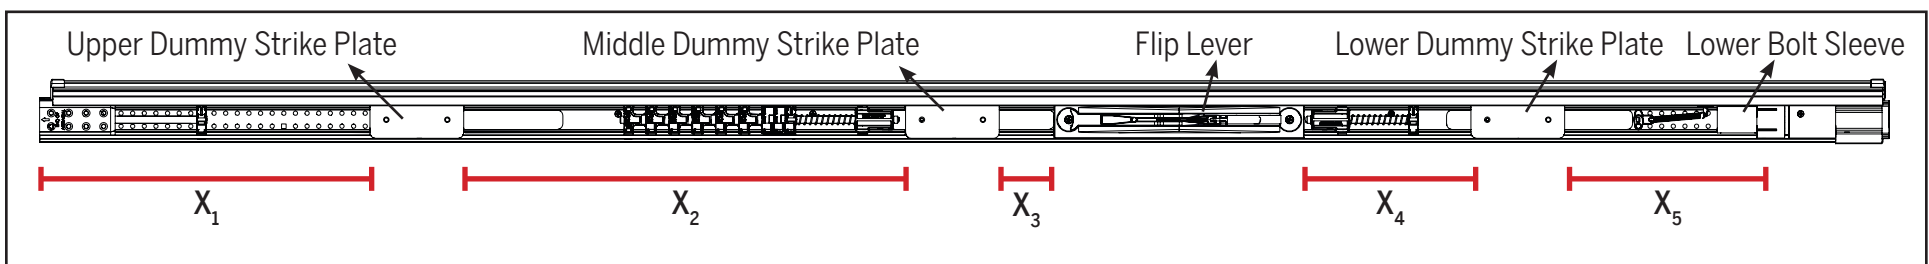

### Ultimate Flip Lever™ Astragal

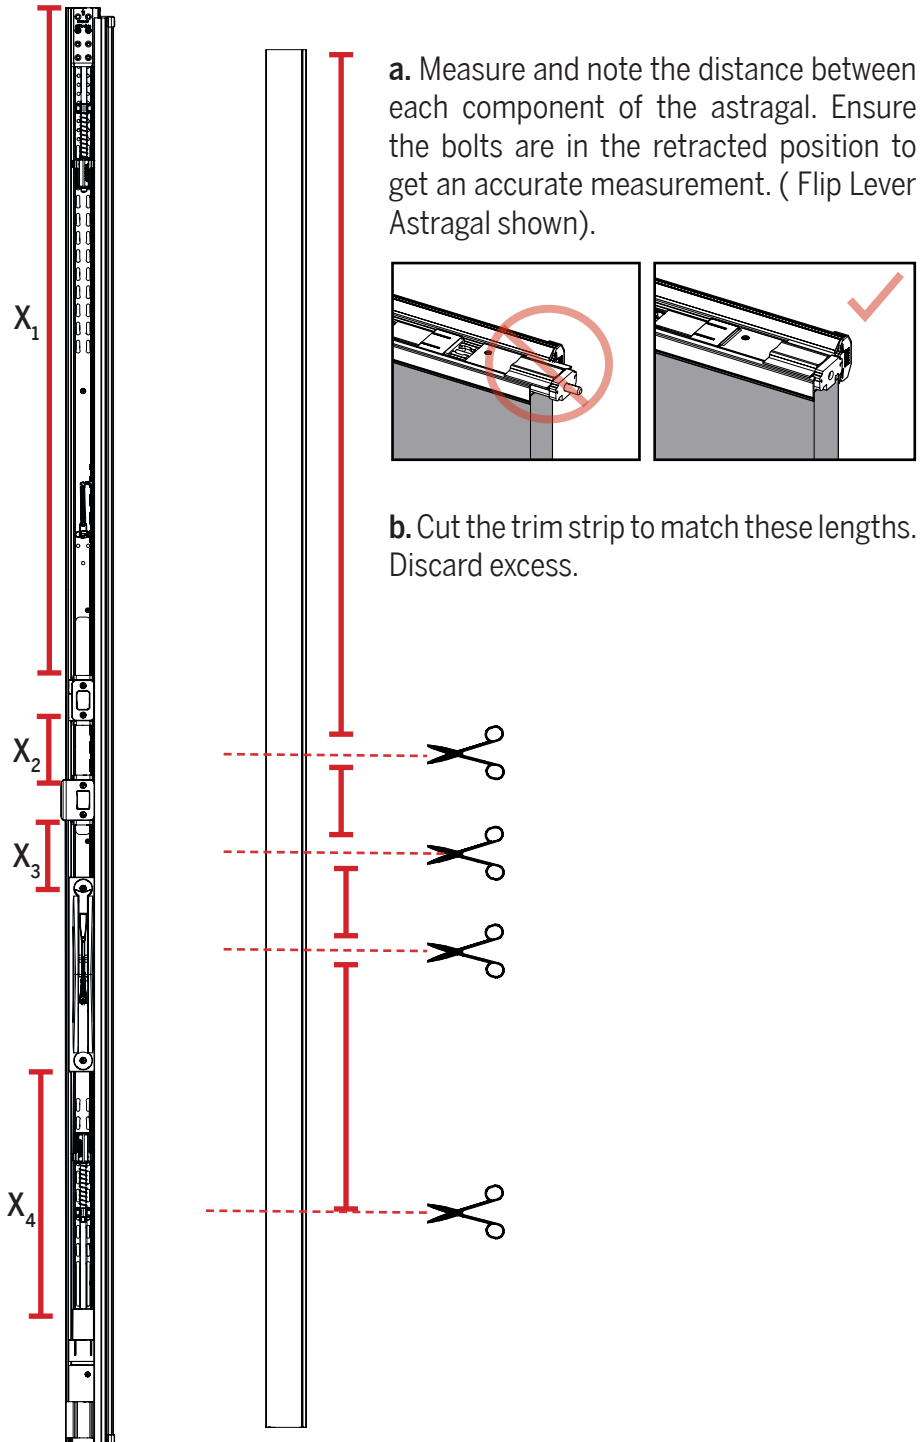

### Ultimate Multi-Point Astragal

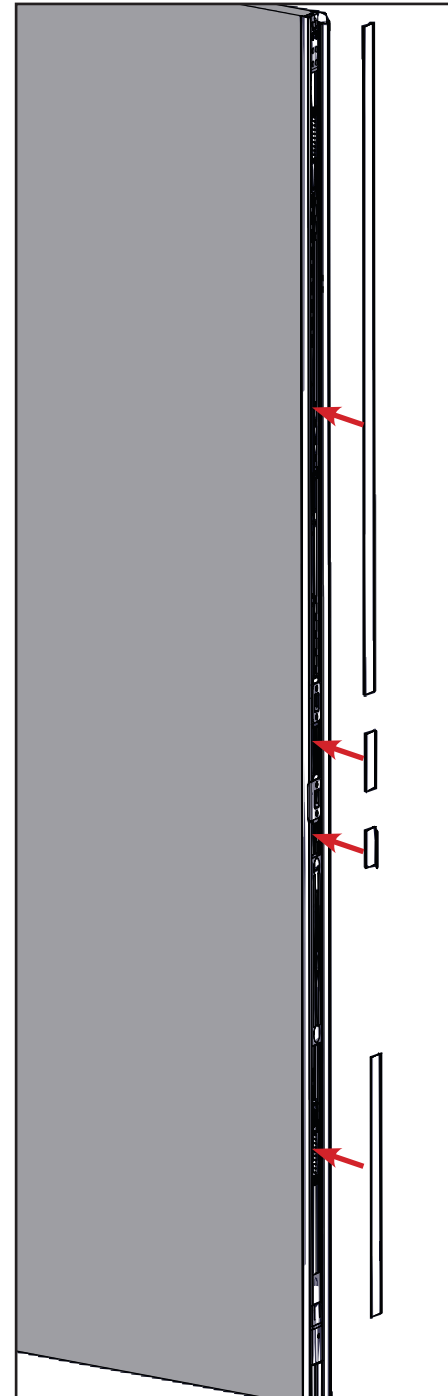

### Ultimate Trilennium® Astragal

## STEP 1: MEASURE AND SIZE TRIM STRIP

## STEP 2: INSTALL TRIM STRIP

a. Install sized pieces of trim strip onto the astragal. Ensure the sealing fin is on the same side of the astragal as the weatherstrip.
